

ADVENTURES of GOD

A cartoon giraffe with yellow fur and brown spots is sitting on a small, dark rock in the middle of a blue ocean. The giraffe is looking up and to the right with an open mouth, as if shouting. A large speech bubble originates from its mouth. In the background, the blue sky has two white clouds, and the brown, curved hull of a ship is visible on the right side of the frame.

Oh my God,
a ship!

HEY!

Thank heavens!
I've been stuck
here for 40 days!

Dude, don't make
this awkward
